

Nursery Questionnaire

North Holland Building Vision Task Force (BVTF)

The Building Vision Task Force (BVTF) was recently formed by Consistory to investigate the facility needs of NHRC and to present a report that makes recommendations and identifies priorities relating to building changes/improvements/projects. We would like your help in assessing the current situation and most pressing short-term and long-term needs.

The BVTF would like to specifically obtain your opinions as a member of a ministry team or a staff member who serves directly in the role of carrying out the vision of NHRC and who simply spends more time in and around NHRC's building and grounds. Thank you for taking time to answer the following questions. The BVTF greatly appreciates your help. And thank you for your continued service to the Lord through your roles at NHRC!

As you complete this questionnaire, we encourage you to keep in mind our Vision:

"Intentionally sharing the love of Jesus through compassion-filled hospitality."

1. Considering NHRC "as is," please identify aspects of the nursery at North Holland that you believe enhance the effectiveness of your ministry. (List the things that you like about the nursery area as it is now)?

Answer: I am glad for the few amount of adult chairs. Helps those of us who can get on the floor, remember we should be down there with the kids. The small, circle table & 2 rocking chairs are also excellent. We may need 1 more rocking chair.

2. Does the nursery area as it is now present a safe environment? (If no please explain)

Answer: Yes, I believe so

3. Considering nursery "as is," please list any aspects that you believe impede the effectiveness of the ministry. (What is a concern to you in the nursery)?

Answer: it get very hot in there,
even with both fans on.
We may need 1 more rocking
chair.

4. Please list any recommendations you have with regard to changes and/or additions to the nursery that you believe would enhance the effectiveness of your ministry.

Answer: I really like the nursery as
it is. I have no concerns about
it - except that it gets warm
in there when it's full and it
seems to be full! (")

5. Does the nursery area as it is now present an inviting tone to new people visiting?

Answer: I believe so

Please return the completed questionnaire in Scott Blackmer's mail box as soon as possible but no later than July 8, 2012.
