

Kids Hope Questionnaire

North Holland Building Vision Task Force (BVTF)

The Building Vision Task Force (BVTF) was recently formed by Consistory to investigate the facility needs of NHRC and to present a report that makes recommendations and identifies priorities relating to building changes/improvements/projects. We would like your help in assessing the current situation and most pressing short-term and long-term needs.

The BVTF would like to specifically obtain your opinions as a member of a ministry team or a staff member who serves directly in the role of carrying out the vision of NHRC and who simply spends more time in and around NHRC's building and grounds. Thank you for taking time to answer the following questions. The BVTF greatly appreciates your help. And thank you for your continued service to the Lord through your roles at NHRC!

As you complete this questionnaire, we encourage you to keep in mind our Vision:

"Intentionally sharing the love of Jesus through compassion-filled hospitality."

Name: Lora + Sara Mast

Ministry Team or Staff Position: Kid's Hope director

Kids Hope – Lora Headley

Special Directions: The BVTF team has purposefully given your team one questionnaire. It is our hope that your **TEAM** will complete this document as one voice as a united team. What that means is that we are asking that you complete this document TOGETHER.

1. Considering NHRC "as is," please identify aspects of the building, grounds and facilities at North Holland that you believe enhance the effectiveness of your ministry team or staff position. (What do you like?).

Answer: Ball diamond, play ground, grassy areas are great for when we have get-togethers at Church. Having the fellowship room to work in for the indoor parties. Best time for our team

2. Does the layout of our facility in any way influence the work you are currently doing?

Answer: Not really

3. What changes in the layout of our facility would allow you to do your work better?

Answer: Best time for us to work together as a team is after Sunday morning service. We can't currently access our file cabinets and computer at that time do to sharing the office with deacons as they count.

Adding an out-building/gymnasium would be very beneficial to allow the kids to get the wiggles out, and keep them from trying to run thru the church.

4. Considering NHRC "as is," please list any aspects of the building, grounds and facilities at North Holland that you believe impede the effectiveness of the ministry.

Answer: Would like to see more indoor room for including the families in the activities/parties we have. The above mentioned out-building could provide that better than the fellowship room as is. Fellowship room is adequate for current numbers, but we see our program growing.

5. Please list any recommendations you have with regard to changes and/or additions to the building, grounds and facilities at NHRC that you believe would enhance the effectiveness of your ministry. Please list each recommendation in a separate "answer" space and explain how each will help fill a need or do your work. Please prioritize your answer by ranking them – 1 as your highest priority, 2 is your second priority, etc.

Answer: We would love to see an additional gym/activity building for year round use.

Rank: 1

Answer: An office exclusive to Kid's Hope with a file cabinet that locks, but also room to leave files open for pop-in trips. (Only have 1 key & some files need to be locked for privacy from all but head director)

Rank: 2

Answer: _____

Rank: _____

Answer: _____

Rank: _____

Answer: _____

Rank: _____

If you need more space for this question please attach additional pages or use the back of this document.

Please return the completed questionnaire in Scott Blackmer's mail box as soon as possible but no later than ^{August 14} ~~July 8~~, 2012. ☺

Thanks!

BVTF Committee
